

# SCET 2021

The 10th Spring World Congress on Engineering and Technology (SCET 2021) will be held on April 20-22, 2021 in Xi'an, China. It is composed of 3 Symposiums on the frontier topics in the engineering and technological subjects. It dedicates to facilitating the global development of engineering and technology and exploring ways in which the latest research results can be shared.

## Symposiums:

[2021 Spring International Conference on Material Sciences and Technology \(MST-S\)](#)

[2021 Spring International Conference on Textile Science and Engineering \(CTSE-S\)](#)

[2021 Spring International Conference on Mineral Processing and Metallurgical Engineering \(MPME-S\)](#)

## CALL FOR PAPERS

### Conference History

SCET, The Spring World Congress on Engineering and Technology (SCET 2020), is an annual conference in China since 2011. This conference was held in Wuhan, Shanghai, Dalian, Beijing, Chengdu, Guilin, Xiamen, Kunming from 2011 to 2020. Each year there are 100 - 200 attendees from Asia, Europe, America, etc., and there have been quite a lot of well known experts giving plenary speeches. In 2020, SCET was held in Kunming from August 14-16 and more than 30 distinguished speakers gave the Keynote Speeches and oral presentations.

### Venue

Xi'an, is the capital of Shaanxi province, located in central-northwest China, records the great changes of the country just like a living history book. Called Chang'an (meaning the eternal city) in ancient times, it is one of the birthplaces of the ancient Chinese civilization in the Yellow River Basin area. As the eastern terminal of the Silk Road and the site of the famous Terracotta Warriors of the Qin Dynasty, the city has won a reputation all over the world. More than 3,000 years of history including over 1,100 years as the capital city of ancient dynasties, have endowed the city with an amazing historical heritage. Visitors marvel at the numerous historical sites and cultural relics in and around the city. Read more about History. Known as the leading city of China's Western Development Drive Program since 1990s, Xi'an is an important economic, cultural, industrial and educational center of the central-northwest region, providing visitors with modern and convenient facilities.
